

Chippensteel inox

Material
inox

Colours

polished
inox

A development of the limited edition Chippensteel chair - available in new colours. It still offers a unique material experience but the shape of the chair has been sli-

ghtly redesigned to allow a mass-production. The chair has been uniquely processed and produced in FiDU technology inox using bending properties of steel sheets.

H: 80cm / 31.5"
W: 46cm / 18.1"
D: 58cm / 22.8"
